INBalance Health Corp Introduces New INBar Flavors

Two New Flavors: Chocolate Butter Crunch & Cinnamon Swirl

Wayland, Mich., June 2, 2014 – [InBalance Health Corporation](http://www.inbalancehealthcorp.com), providers of doctor-formulated, alternative food bars and supplement solutions, has announced that two new INBar flavors are now available. Chocolate Butter Crunch and Cinnamon Swirl join the variety line of the allergen-free snack bar.

Peanut lovers rejoice! Chocolate Butter Crunch offers the taste of peanuts without the nuts! Creamy chocolate is blended with sunflower seed butter for a completely allergen-free, delicious snack. Cinnamon Swirl provides the sweet, satisfying taste of a cinnamon roll guilt-free! The tasty cinnamon is swirled in a hint of caramel to boost your breakfast!

Having received USDA Organic certification, in addition to full certification from Natural Food Certifiers as 100% GMO-Free, Gluten-Free, Vegan and Kosher, the INBar continues to strive to provide a great-tasting, allergen-free snack. Featuring real, whole foods, the bars are formulated to help consumers better manage their weight by minimizing blood sugar spikes and controlling hunger the right way.

"We're very excited to offer more flavor variety to people who already love our products," said Bob Serulla, president of INBalance Health Corp. "It's great to be able to provide a clean snack alternative to people who need it and for others who want a safe-satisfying snack that tastes great, is allergen-free and 100% GMO-Free and curbs hunger for hours!"

As additional retailers add INBar to their shelves, more consumers are being introduced to the snack bar's many benefits, including: 10g fiber, 10-11g protein, low net carbs; no added sugar; high protein; made with no wheat, nuts, wheat, corn, dairy, soy or eggs, among others. The bars come in four additional flavors – Chocolate Fudge, Chocolate Mint, Cherry Chocolate and Strawberry Banana.

The INBar is available in stores nationwide as well as online at www.TheINBar.com.
