

**FOR IMMEDIATE RELEASE**

## **InBalance Health Introduces Nutrition Supplement Line**

*Company unveils start of supplement line supporting weight-loss, balanced nutrition, and glucose-management goals*

**GRAND RAPIDS, MI., March 30, 2013** – [InBalance Health Corporation](#), a company providing the popular doctor-formulated **InBar** Nutritional Bar, is pleased to announce that they have released their new Supplement line consisting of INBalance Glucose Management, INSupport Weight Management, and INSupport Multi Vitamin.

“We are excited to release our first three supplements to the consumer market,” said Bob Serulla, InBalance’s co-founder and president. “Our doctor-formulated supplements are designed to work in tandem with our delicious snack bars the – [INBar](#) – to support a healthy metabolism. We are confident these will be a hit with health-conscious consumers.”

**The InBalance Glucose Management formula** employs the patent-pending ingredient MoruCel™. This Mulberry Leaf Extract helps to stabilize post-meal blood sugar levels, and minimize spikes by inhibiting the absorption of sugars and carbohydrates. The glucose management formula is designed to be taken just prior to meals and is available in consumer friendly, easy to carry, 2 count packets sold in 30 and 60 packet boxes, and can also be purchased in a 180 count economy Bottle. They retail at \$21.99 for a 30 count 2 tab pack box, and \$35.99 for a 60 count 2 tab pack box. The 180 count Economy bottle retails for \$44.99.

**The INSupport Weight Management Formula** is designed to be used as part of the InBalance Health 90 day “Ideal Body System” which can be found on the company web site. The Weight Management formula uses Brown sea weed extract, Green tea extract, and Raspberry Ketones along with other key ingredients to target Belly fat when used in conjunction with the diet and exercise program provided. INSupport Weight Management retails at \$39.99 for a 30 day supply

**The INSupport Multi Vitamin** is Doctor formulated to support the needs of Individuals challenged with Glucose Management issues. The formula offers outstanding levels of Nutrients for needed support of possible deficiency. INSupport Multi Vitamin retails for \$23.99 for a 60 table bottle and \$39.99 for a 120 tablet bottle.
